2. Room-by-Room Scent Planner

Plan out the perfect scent for each room:

Room	Desired Atmosphere	Chosen Scent(s)	Diffusion Method
Living Room			
Kitchen			
Bedroom			
Bathroom			
Home Office			

3. Seasonal Scent Rotation

Plan your scents according to the seasons:

Season	Preferred Scents	Notes
Spring		

Summer		
Fall		
Winter		

4. DIY Blend Worksheet

Create your own signature scent blends:

Blend Name	Ingredients	Proportions	Notes

5. Scent Journal

Keep track of your scent experiences:

Date	Scent Used	Room	Impressions/Effects

Quick Tips for Scent Success

- Rotate scents regularly to prevent nose blindness
- Consider the activities in each room when choosing scents
- Be mindful of allergies and sensitivities
- Experiment with layering scents for unique combinations
- Clean regularly to maintain a fresh base smell
- Use natural scents when possible for a healthier home environment

Remember, creating your perfect home scent story is a journey. Have fun experimenting and discovering the aromas that make your house feel like home!
